Player Ratings: Whilst every effort has been made to proportion reasonable contrasting player ratings, the individual ratings have been devised for the purposes of the Match Attax game. These values are not intended to be a definitive comparison guide between players and do not reflect the opinions of the Premier League or its member clubs.

Editors Note: The final date for compiling this collection was September 1st 2010. All reasonable efforts were made to ensure that the information was correct at the time of go to press. Any players or manager changes after this date were of course beyond our control. ©Topps Europe Limited, 2007.
