EDITOR'S NOTE:

The final date for compiling this collection was September 2nd, 2013. All reasonable efforts were made to ensure that the information was correct at the time of going to press. Any player or manager changes after this date were of course beyond our control.

PLAYER RATINGS:

Whilst every effort was made to proportion reasonable contrasting player ratings, the individual ratings have been devised for the purposes of the Match Attax game. These values are not intended to be a definitive comparison between players and do not reflect the opinions of the Barclays Premier League or its member clubs.

PLAYER VALUES:

Player values that appear on the Match Attax cards are in conjunction with the transfer values listed in the official Barclays Premier League Fantasy Football game. Player values have been rounded up or down to the nearest 'half million' where necessary. The featured transfer values have been developed exclusively for the Match Attax game and in no way represent the actual transfer values of players.
